

# Byg kvadratet – stavelser 2a

Klip brikkerne med stavelser ud.

Byg kvadratet her, ved at få stavelserne til at passe hele vejen rundt.

Klip brikkerne ud:

|                                                                                                                                     |                                                                                                                                          |                                                                                                                                       |                                                                                                                                      |
