Rim på livet løs 2

Sæt 4 brikker på din bane i midten og en brik på det sorte startfelt.

Slå med en terning og ryk i en valgfri retning på yderbanen. Sig hvad du er landet på og find ud af hvilket billede i de sorte felter, det rimer på.

Ryk efter billedfeltet på din bane i midten. Den der først får alle 4 brikker i mål har vundet.
