A collage of 20 Halloween-themed icons arranged in two rows. The top row features a tombstone with 'RIP', a mummy, a ghost, a werewolf, a zombie, a green potion bottle with a skull, a graveyard scene with a witch, a large bone, a red blood drop, a full moon, and a red devil. The bottom row includes a pink brain, a haunted house at night, a running skeleton, a black spider, a jack-o'-lantern, a cauldron with green bubbles, a witch on a broom, a vampire, a witch's hat, and a green frog-like creature. The background is dark and textured with faint white crosses.
